

COUNCIL MEETING NOTES OCTOBER 1st.

- We awarded the Labor Day Committee the “Good Neighbor Award”, this was for their efforts in providing a great Labor Day celebration for all of us. It was a great event this year bringing back Water Ball and the Beer Tent. We look forward to 2020!
- We had the Belding Veterans Park attend council as guest speakers to go over the plans to grow the memorial. The planning commission will review the plans in their October 10th meeting to make a recommendation/approve the expansion. This is exciting to see this project continue to grow and it attracts many new people to our city.
- We approved the use of the River Ridge Cemetery for tours on October 20th 2019. This will be conducted by the Museum Board and will have actors telling a person’s life story at designated grave sites.

GENERAL

- Final road blacktopping is being completed over the next couple of weeks for the year. Weather is getting colder so we will be wrapping up soon.
- The Planning Commission will be looking at zoning as it relates to the handling of certain chemicals in our City. This meeting will be on October 10th.
- Brush Pick-up; this looks to be completed, we would like to Thank everyone for being patient in this process. The last brush pick-up for 2019 is October 21.
- The Library will be having a Soup Supper on October 9th as well as a Murder Mystery show on October 30th, more information is available on the Library web page.

Next City Council meeting will be held on Tuesday October 15th. Have a Great day!
