

Are you 65 or older?
Do you want the COVID-19 vaccine?

Don't have internet?

You can CALL the Health Department at (616) 527-5341 and we will sign you up to be called when the vaccine is available.

Or call the Commission on Aging and they can sign you up too! Call (616) 527-5365 or toll-free (888) 527-5365.

Vaccine supply is still very limited, but if you are on the list we will call you when the vaccine is available. You only need to sign up once and individuals will be called in the order that they signed up.

If you DO have a computer or smart phone, you can sign yourself up on the Health Department website
