Message from the City Council

The Belding City Council and the residents of the City of Belding would like to thank you for choosing our City as the place you will call home. The residents of Belding love our community nestled into the banks of the Flat River and we hope that you will too!

We would like to extend an invitation to you to attend the Belding City Council meetings which are held on the 1st and 3rd Tuesdays of the month at 7:00 p.m. We would love for you to attend!

If you have any questions or concerns, please feel free to contact City Hall at 794-1900 or any of the Council Members by accessing the City Council page on the City website at www.belding.mi.us. Thank you again for choosing to call Belding Home!

Welcome Message

We would like to welcome you as a new resident to the City of Belding. As a rural close-knit community, Belding has a lot to offer through its small-town charm, its abundant natural areas within and around the city, its proximity to the large Grand Rapids metropolitan area, and its first-class services provided to the residents by our staff.

The small-town charm shows when people know each other, take the time to talk to each other, and help each other time after time. The pace of life is a little slower and more meaningful. It is easy to make friends and to get involved through one of the community groups, clubs, city boards and commissions, churches, or through the local school system. A strong willingness to help those in need also exists throughout the community through the churches and non-profit organizations.

An abundance of natural areas surround the City of Belding. Within the city, there are five parks, four being situated along the beautiful Flat River which is known for canoeing, kayaking, and tubing. Lightning Bend Park, a 128 acre nature preserve along the Flat River, has walking

trails throughout the park and SMASH Disc Golf course. The one park not along the Flat River is Demorest Field, which is one of the best Little League ball fields in West Michigan.

The Flat River State Game Area starts in the northeastern part of the city and goes north, almost to the City of Greenville. Hunting, fishing, and recreation opportunities abound in this area.

Although Belding is a small town set in a beautiful rural area, the close proximity to the Grand Rapids area enables one to live in a small town while having the benefits of a large city, such as cultural attractions, restaurants, and a large employment base.

We believe you will be impressed by the services provided by the city. As a full-service community we provide full-time police and fire services. The Fire Department has achieved an Insurance Service Organization (ISO) rating of four, which is excellent for cities of our size. We have a Dial-A-Ride bus service which provides transportation anywhere within the city and also to Greenville and Ionia.

The Department of Public Works provides services including water, sewer, street and park maintenance, brush and leaf pickup, and many others which improve the quality of life within the city.

The Library is an amazingly beautiful facility comprised of a historic 1917 building, along with an addition completed in 2007.

The Belding Museum is a treasure, with three floors of artifacts, including the BEL, an interactive children's museum.

The Belding Housing Commission provides over one-hundred twenty-five affordable housing units.

Prompt, courteous, and individual attention is our goal as city staff. We are here to serve you and assist in improving the quality of life for the residents of the City of Belding. Please visit our website at www.belding.mi.us for more information about the City of Belding. Also, please feel free to stop by or give us a call if you have any questions. Thank you very much and we hope that you enjoy living in the City of Belding.

Park Reservations

Requests for reservations for the use of the pavilions at Central Riverside Park, East Riverside Park and Lightning Bend are accepted for the upcoming season beginning January 2nd each year. A reservation form is available at the front counter of City Hall. Alcohol is prohibited.

Call "MISS DIG"

Remember to call MISS DIG before doing any digging on your property. This toll-free call alerts utility companies of your plans so they can stake the location of utilities in order to prevent you from hitting them while digging. The utility companies can bill for damages if they are not notified. Remember to call MISS DIG at 1-800-482-7171 before digging on your property.

House Numbers

City of Belding ordinance requires visible house numbers at or near the front entrance of all residences and businesses within the city limits. Visible street numbers are critical to emergency service personnel when trying to locate the origin of an emergency call.

Bon-Fire Permits

City ordinance requires residents who wish to have recreational bonfires to first obtain a permit from the Fire Department. Please contact the Fire Department at 794-1900, Ext. 212 to discuss the requirements for a bon-fire pit, or to schedule a bon-fire pit inspection. Brush fires or the burning of yard wastes is prohibited within the city.

To discuss the requirements for a bon-fire pit, or to schedule a bon-fire pit inspection, please call the Fire Department at 794-1900, Ext. 212.

Brush Pick-up 2022

April 25 July 25 October 24
 May 23 August 22
 June 20 September 26

Brush to be picked up must be placed at the curb by 7 a.m. on the above listed dates, but no earlier than the 18th of the month. The total amount of brush and limbs per household shall not exceed 10 cubic yards per month. This may be waived at the discretion of the Director of Public Works in cases of devastational storms. To ensure pick-up, locate brush in clear area, away from obstacles and wires.

Yard Waste/Leaves

Yard waste and leaves placed in biodegradable bags will be picked up every Monday from April 25 through October 24, 2022. Please place bags at the curb on Friday at 7 a.m., but no earlier than 24 hours before pick-up. Bags must not exceed 35 pounds and cannot contain other materials, such as rocks, shingles, garbage, sticks or brush. Loose leaf pick-up will take place from October 10 through November 23, 2022. A loose leaf pick-up is not held in the spring.

Severe Weather

The City's weather warning sirens will be tested on the 1st Saturday of every month at 1 p.m., starting in April and continuing throughout the severe weather season. The National Weather Service will issue a tornado watch when conditions are right for the formation of a tornado. This is the time to begin preparations. The weather siren will be sounded when a tornado warning has been issued for our area. A tornado warning means a tornado has been sighted and that persons should immediately take cover.

Scheduled brush, yard waste and leaf pick-up is provided by the City for residents throughout the year.
